September 2016

Dear Eligible Chi Epsilon Pledges,

Congratulations on your academic success in the Georgia Institute of Technology Civil and Environmental Engineering department. You were selected based on your high grade point average and status level within Georgia Tech. If you decided to join Chi Epsilon, you will be joining a long list of revolutionary and distinguished engineers. Membership also shows prospective companies you have great character and determination. Lastly, you are a member for life after the one time membership fee.

This candidate information packet includes current officers' contact information, a list of pledging requirements for membership, and an application form.

We are delighted that you are interested in joining Chi Epsilon. If you decide to pledge Chi Epsilon, don't forget to turn in the application form, along with a non-refundable lifetime membership fee of \$90 (cash or check payable to Chi Epsilon) by October 21st, 2016. If you have any questions, please feel free to contact Hpaung San Aung (President), Donald Smith (Vice President), or Samuel Dennard (Secretary), who are responsible for all candidate affairs and questions.

Sincerely,

Hpaung San Aung

President of Chi Epsilon, Georgia Tech Chapter

INITIATION FEE

A one-time initiation fee of \$90 is required for XE. This includes the National and Georgia Institute of Technology Initiation, a Certificate of Membership, a personalized XE pin, an XE Initiation dinner, and a semester full of meetings and social/volunteer events. For your convenience, any XE officer may collect fees during their office hours. Cash is preferable, but checks are also accepted. Please make all checks out to the "GT Chi Epsilon". Receipts are available upon request.

BENEFITS OF BECOMING A CHI EPSILON MEMBER?

Access to exclusive member-only meetings with top rated companies

Members receive free lunch during meetings

Chi Epsilon Pledge Checklist for Initiation

To be initiated into XE you must successfully fulfill the following requirements before the due date of **October 21st 2016**.

MEMBERSHIP FEE

Lifetime NON-REFUNDABLE membership fee of \$90 (cash or make checks payable to Chi Epsilon).

APPLICATION FORM

Turn in the Chi Epsilon Application sheet (found later in this packet).

IMPORTANT: Failure to fulfill pledge requirements as outlined above will result in being “red-carded” and the membership fee of \$90 will NOT be refunded. If “red-carded”, you will not be initiated at the end of the semester and may not be able to pledge Chi Epsilon again in the future. The requirements are subject to change with notice.

ATTEND AT LEAST **THREE** CHI EPSILON MEETINGS

Attendance will be taken at each meeting. If you have special circumstances precluding you from attending, please email haung6@gatech.edu after the first meeting.

COMMUNITY SERVICE FORM

Community service form (found later in this packet).

RECOMMENDATION FORM

All initiates must turn in **one** recommendation form (found later in this packet).

Chi Epsilon Application – Fall 2016

Why Civil/Environmental Engineering? Also, was there another major you seriously considered?
What was it?

What are your favorite places to eat in Atlanta?

What lunch options would you like to see in the general meetings?

Name one place you want to go to before you die.

Tell us what you are interested in besides school.

Do you already know people pledging with you this semester? Who are some of them?

Name ONE special quality about you that separates you from your peers:

Are you pledging because:

- You want to be in an organization that will provide you opportunities to lead
- Your resume/graduate school app is looking a bit bare in the extra-curricular section,
- You didn't realize that this was an application and thought it was a questionnaire for you to *win* \$90.

By signing this application, I understand that if I fail to fulfill the pledge requirements as outlined in this packet, I will be “**red-carded**” and the membership fee of \$90 will NOT be refunded. If I am “red-carded”, I will not be initiated at the end of the semester and may not be able to pledge Chi Epsilon again in the future.
